MANAGEMENT

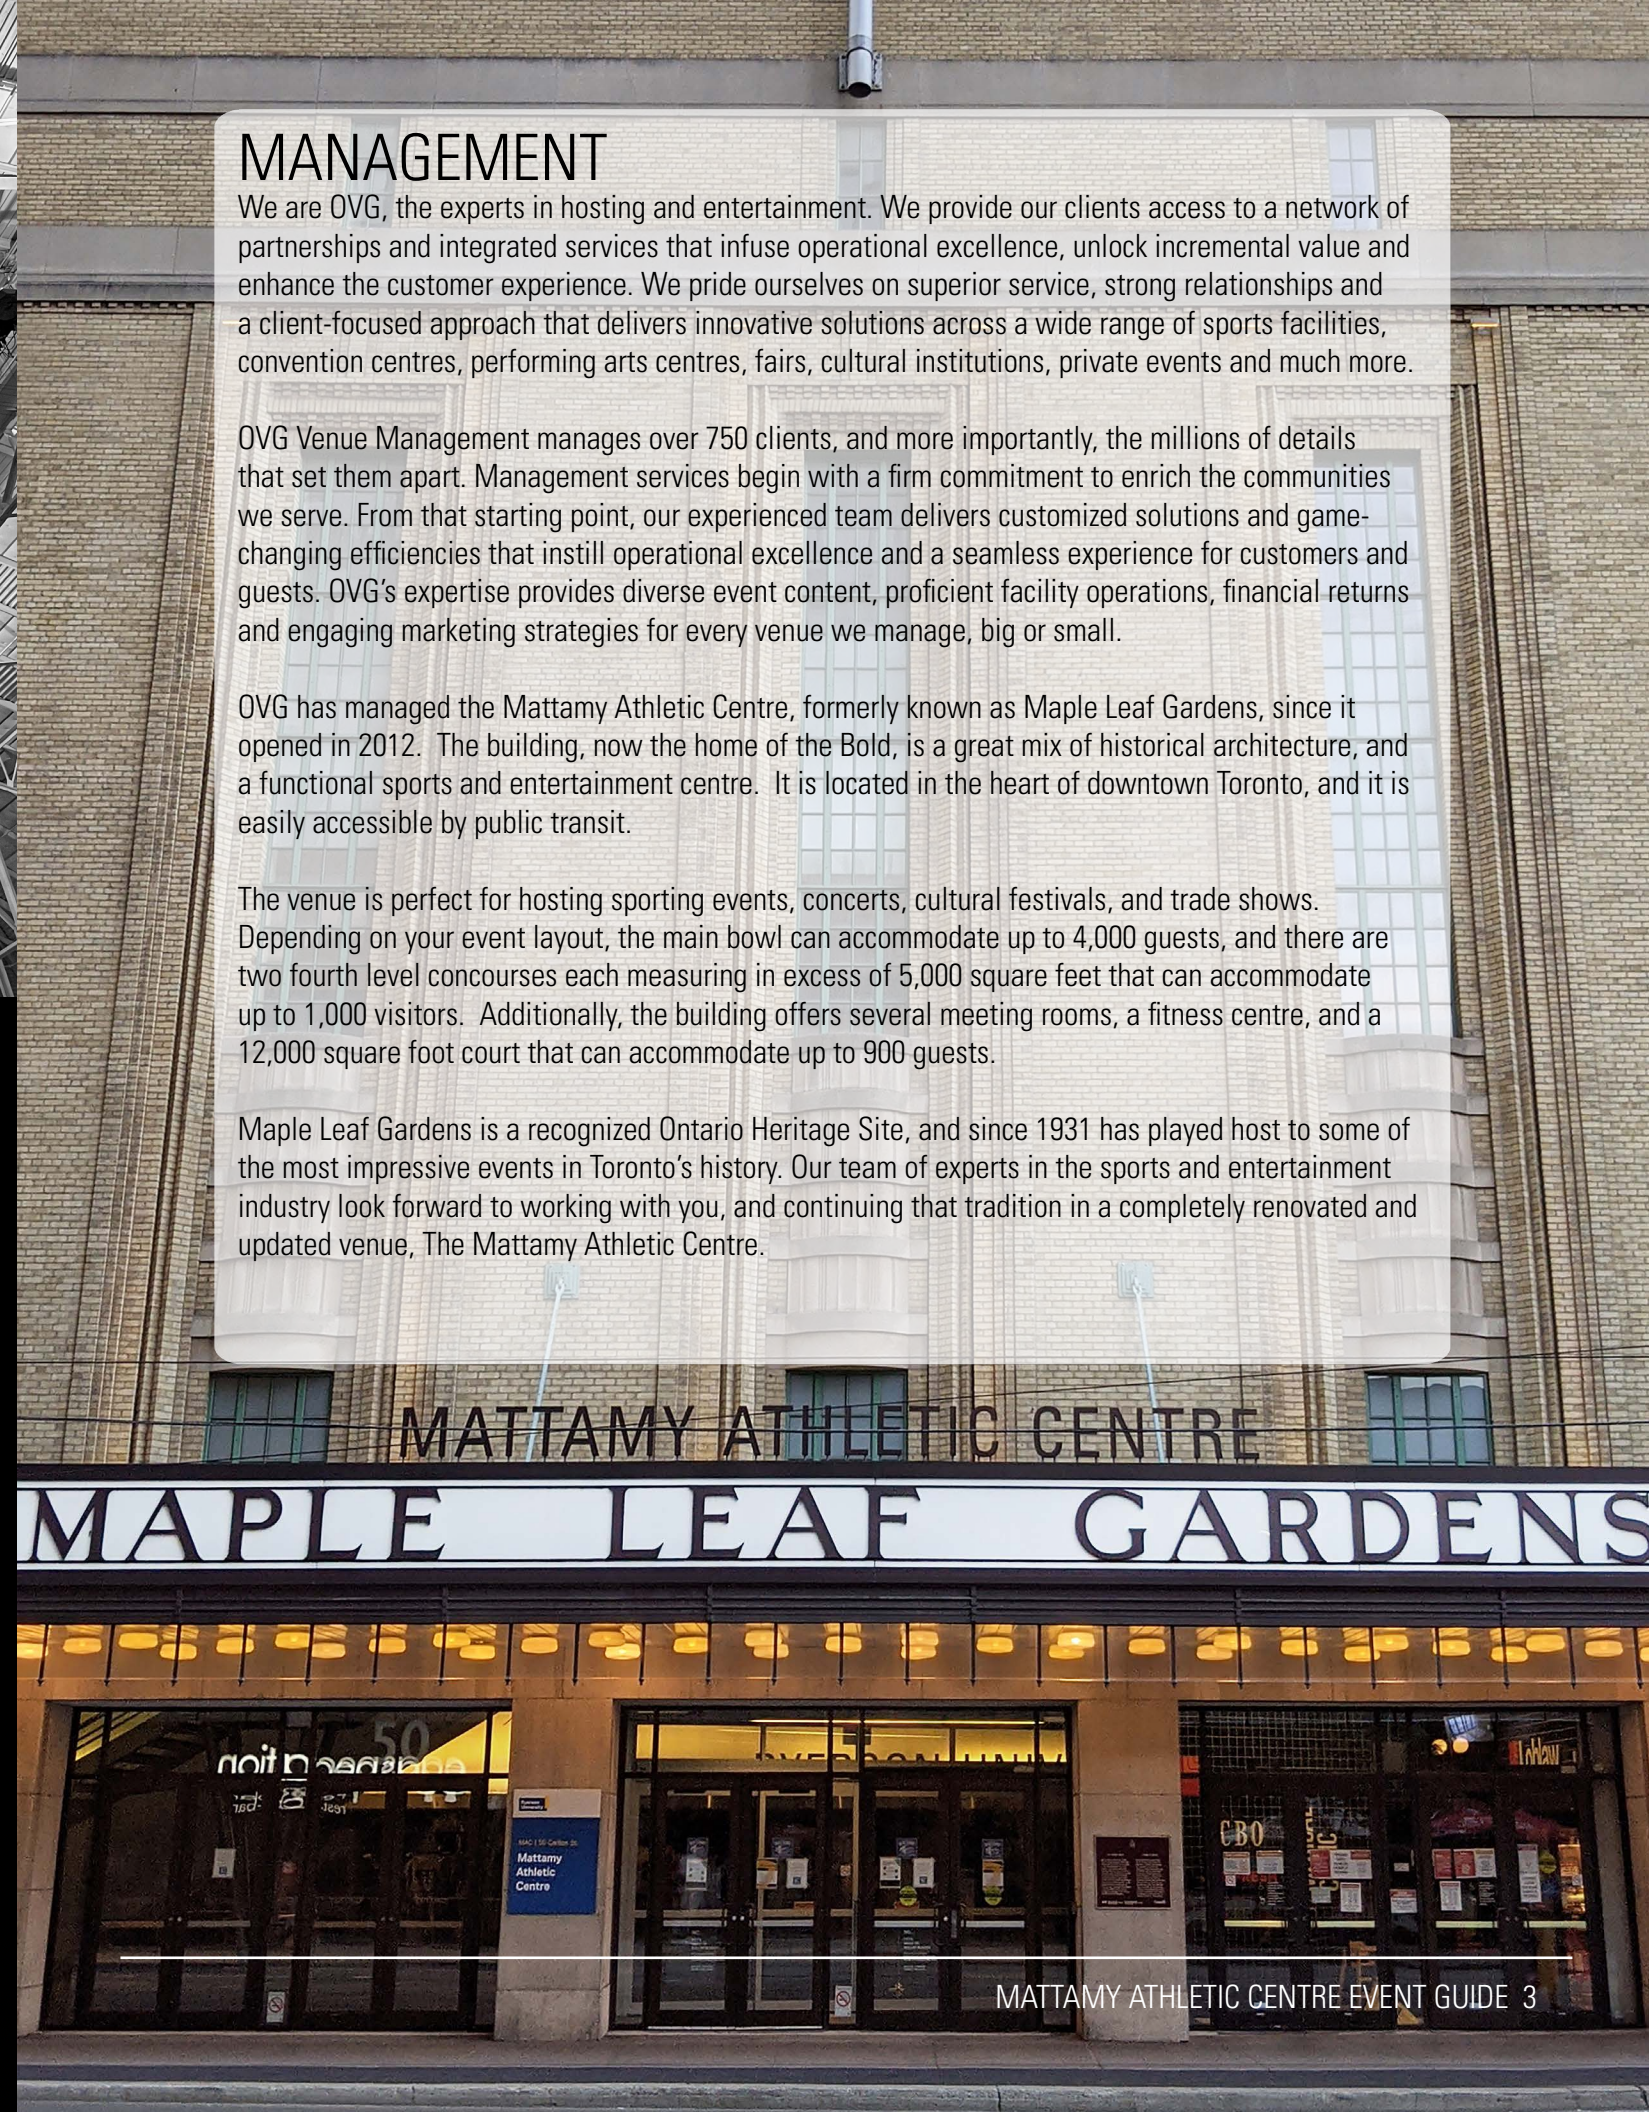

We are OVG, the experts in hosting and entertainment. We provide our clients access to a network of partnerships and integrated services that infuse operational excellence, unlock incremental value and enhance the customer experience. We pride ourselves on superior service, strong relationships and a client-focused approach that delivers innovative solutions across a wide range of sports facilities, convention centres, performing arts centres, fairs, cultural institutions, private events and much more.

OVG Venue Management manages over 750 clients, and more importantly, the millions of details that set them apart. Management services begin with a firm commitment to enrich the communities we serve. From that starting point, our experienced team delivers customized solutions and game-changing efficiencies that instill operational excellence and a seamless experience for customers and guests. OVG's expertise provides diverse event content, proficient facility operations, financial returns and engaging marketing strategies for every venue we manage, big or small.

OVG has managed the Mattamy Athletic Centre, formerly known as Maple Leaf Gardens, since it opened in 2012. The building, now the home of the Bold, is a great mix of historical architecture, and a functional sports and entertainment centre. It is located in the heart of downtown Toronto, and it is easily accessible by public transit.

The venue is perfect for hosting sporting events, concerts, cultural festivals, and trade shows. Depending on your event layout, the main bowl can accommodate up to 4,000 guests, and there are two fourth level concourses each measuring in excess of 5,000 square feet that can accommodate up to 1,000 visitors. Additionally, the building offers several meeting rooms, a fitness centre, and a 12,000 square foot court that can accommodate up to 900 guests.

Maple Leaf Gardens is a recognized Ontario Heritage Site, and since 1931 has played host to some of the most impressive events in Toronto's history. Our team of experts in the sports and entertainment industry look forward to working with you, and continuing that tradition in a completely renovated and updated venue, The Mattamy Athletic Centre.

SETTLEMENT

The Mattamy Athletic Centre requires payment in full in advance of all large events. A payment plan will be determined between the Event Manager and the Licensee prior to the contract being signed. At the conclusion of the event, the Mattamy Athletic Centre will produce a statement within seven (7) days of all remaining monies owed by or due to client.

INSURANCE

Each tenant must provide general liability insurance in the amount of \$5 million, naming the Mattamy Athletic Centre, Toronto Metropolitan University, and Global Spectrum Facility Management Limited as additional insureds. A certificate of insurance must be received no later than two weeks prior to the event.

EVENT REQUIREMENTS AND STAFFING

The Mattamy Athletic Centre will provide event-related staffing at the expense of the Licensee. Additional security and/or first aid staff may be added to the event, if in management's opinion the safety of the public is at risk. All event requirements must be coordinated with, and approved by the Mattamy Athletic Centre at least two weeks prior to the event.

FOOD AND BEVERAGE

All food, beverage and concessions are operated and controlled by TMU Eats. Together with the Mattamy Athletic Centre, TMU Eats will determine the number of concessions and stands required to be open, to properly service the event. All alcohol must be coordinated with TMU Eats under the venue's liquor license. All arrangements for serving food and beverage, and the sale of concessions should be made through TMU Eats at maccatering@torontomu.ca.

Dressing Rooms

There are 4 dressing rooms located backstage which can be easily secured from public areas. Each room has restroom and shower facilities, and is wheelchair accessible. Dressing rooms have wireless internet service and can be outfitted with phones and furniture. Please contact the event manager for further details.

LOCKS AND KEYS

Dressing rooms may be secured with padlocks provided by the tenant. Keys and/or swipe cards can be signed out for access to other rooms throughout the building.

PRODUCTION

LOAD IN

LOADING DOCK

The loading dock is located on the north side of the building on Wood Street (one street north of Carlton off of Church).

The loading dock is a shared space between the Mattamy Athletic Centre, Loblaws, LCBO and Joe Fresh. The single bay along the south wall is for the exclusive use of the Mattamy Athletic Centre.

The loading dock can accommodate 3 trucks during off peak hours, and one truck during regular business hours. Trucks cannot exceed 53 feet in length. Once the trucks are emptied, they must find parking off-site. A detailed load in and load out schedule must be submitted to and approved by the Event Manager in advance of the event.

The loading dock hours are strictly 7:00am to 11:00pm Monday through Saturday, and 9:00am to 11:00pm on Sundays. All production deliveries must be completed during this time. Overnight load in/out may continue outside of dock hours, however, any trucks remaining in the dock after 11:00pm will not be able to leave until the dock reopens the following morning.

DOCK LEVELER

The loading dock leveler can assist in making load in easier. It is capable of both a ramp mode to bridge the gap between the dock and a truck as well as a lift mode that can be lowered to the dock floor.

FREIGHT ELEVATOR

From the loading dock, the freight elevator can be used to access the court (2nd floor) and the arena (3rd floor). The freight elevator measures 17' deep x 9' wide x 9' high and has a maximum weight capacity of 5,450 kg (12,015 lbs).

SERVICE ELEVATOR

For load in access to the 4th floor, there is a smaller service elevator located back of house on the 3rd floor that measures 7.5' deep x 5' wide x 8' high with a maximum weight capacity of 1,361 kg (3,000 lbs).

INTERNATIONAL ALLIANCE OF THEATRICAL STAGE EMPLOYEES (IATSE)

All production installations (lights, video and audio) in the main arena are under the jurisdiction of IATSE. Clients are free to choose their own production supplier and our team will work with that supplier to execute your event.

The production supplier will identify the staffing requirements, and we will coordinate with the production company to ensure that the proper IATSE personnel are scheduled. A separate quote will be provided for all IATSE staffing costs.

SOUND SPECS

Located within the bowl on ice level, there are 30 bowl speakers and 8 overhead ice speakers. The AV room for the arena is located in the south west corner of the 4th floor (MAC 4412).

In the Court there are 16 overhead speakers and there are 4 additional plug-in outlets on the floor where audio can be linked in to the system; 2 located on the east side, and 2 located on the west side. The AV room for the court is located on the 3rd floor (MAC 3403).

VIDEO BOARD SPECS

There are two video boards, located at the north and south ends of the arena. We offer a combination of Daktronics display studio (to display images) and a Tricaster to display video. The video boards are 10'8" long and 7'9" tall. Specifications for video and images on the screens are:

- Images: JPEG, 16:9
- Video: AVI, 1280 x 720 and 16:9

TELEVISION & BROADCASTING

The Mattamy Athletic Centre is equipped for televised broadcasting in the arena. Show power is located in the loading dock for any broadcast requirements. Cabling runs from the loading dock up to the west concourse on the 4th floor. TMU's Radio and Television Arts (RTA) program has assisted with the broadcasts and production of many high end events. If you are interested in this service, a discussion with the RTA department can be arranged.

SHOW POWER

All power requirements (i.e. transformer rental and set-up) must be coordinated and set-up by the venue's exclusive electrical provider, Little Electric. The Event Manager will connect with Little Electric on behalf of the Licensee. Show power can be provided on the 2nd floor in the Court, on the 3rd floor at ice level, and shore power is located in the loading dock at ground level.

SHOW RIGGING & PRODUCTION

The IATSE union has jurisdiction on all production set-up, operation and tear down in the arena. Rigging can only be done from the catwalks. Depending on rigging loads, an engineer sign off may be required.

RIGGING PLOT: Rigging is done from the catwalks only (marked in yellow)

PRODUCTION SUPPLIERS

There are multiple suppliers for all production management services at the Mattamy Athletic Centre. Our events team can help direct you to several that will best suit your needs.

PRODUCTION OFFICE

There are several spaces located in the back of house area that can be converted into a production office. The rooms can be outfitted with tables and chairs, pipe and drape, etc. Wireless internet access is available throughout all spaces at the Mattamy Athletic Centre. High-speed internet jacks and telephone lines can be installed for an additional cost.

VENUE RULES AND REGULATION

ARENA/ LOGO NAME

The venue must always be referred to as one of the following "Mattamy Athletic Centre", "Mattamy Athletic Centre, formerly Maple Leaf Gardens", or "Mattamy Athletic Centre at the Gardens". The venue cannot be referred to as "Maple Leaf Gardens". The Mattamy Athletic Centre name and/or logo must be prominently displayed in all materials used to promote events.

RE-ENTRY

For ticketed events, access to the Mattamy Athletic Centre must be accompanied with a ticket and/or proof of purchase, and is only valid for entry the day of the event. The Venue's re-entry policy will be determined on an event-by-event basis.

RESELLING OF TICKETS

Re-selling of tickets is prohibited on Mattamy Athletic Centre property.

SMOKING & VAPING

As per City of Toronto By-Law, smoking and vaping is not permitted inside the Mattamy Athletic Centre. Smokers must also keep a distance of 29.5 ft away from any entrances of the building as stated under the City of Toronto By-Law.
